Dear Durgesh Kolte

Paper ID:	EE146
Name	Durgesh Kolte
Paper Title	A study based on Successive Approximation ADC
Initial Status	Accepted
Plagiarism Status	Accepted
Technical Status	Accepted
Reviewer Comments	"1. Figure 7 has to be redrawn, at the MSB FF, it is hard to find where the output from. (Direct output or complement output being taken) 2. Few recent references should be added as important parts of the argument were poorly supported. This may be an indicator that referencing should be improved 3. The whole paper needs a quick copy edit. There are a few typos and wrong verb tenses. 4. Are there published studies that show similar or dissimilar trends that should be discussed? If so, the authors are advised to check with such studies and draw a useful comparison. 5. References should be relevant, recent and readily retrievable. "
Registration Status	

We are pleased to inform you that, based on the review feedback, your paper has been **ACCEPTED** for 2021 ICCCI by the technical program committee for the oral presentation and publication in the proceedings. You are cordially invited to present your research work at ICCCI 2021 to be held at Sri Shakthi Institute of Engineering and Technology, Coimbatore during 27-29, January 2021.

Please note that only presented papers either in person (or) through the video conferencing will be submitted for inclusion in the IEEE Xplore Digital Library or Journals. Also, you will get a participation certificate, only if you present the paper.
